

APPLICATIONS

Easily move one standard steel 205-litre drum. Drum clamps slip onto the forks with ease and ensure that drums are handled ergonomically and hassle-free from the driver's seat, improving stability during braking and cornering.

FEATURES & BENEFITS

- Pocket size to suit most fork section sizes.
- Retaining chains and shackles included.
- Adjustable pivot arm to suit various drum sizes and secure clamping.
- Supplied with rating plate and user manual.
- 3-year warranty.
